Dear Ms. Isom:

Re: Close-out of Expedited Response Action Administrative Record Files

As lead regulatory agency for the North Slope and Sodium Dichromate Barrel Landfill Expedited Response Actions, the Washington State Department of Ecology requests these files be closed out. Please transfer the information contained within the North Slope files to the 100-IU-3 Operable Unit, and the information contained in the Sodium Dichromate Barrel Landfill to the 100-IU-4 Operable Unit.

Thank you for your attention to this matter. If you have any questions, feel free to call me at (509) 736-3026.

Sincerely,
